Payment Program Policies

1. A separate application is required for each section of the program.
2. The Master Herbalist Certification Seminar is not part of the Payment Plan Program.
3. After your application is processed and approved, the first set of materials will be shipped to you. Payment Plan courses are processed and debited on the fifth day of each month or the third Monday of each month. If this day falls on a holiday, the charge will go through on the next business day. A statement reflecting your payment status will be sent to you each month for the duration of your contract.
4. If you wish to have the next set of materials shipped before they are scheduled, you can do so by sending in a payment equal to the outstanding amount still owed. Contact one of our representatives for more details.
5. Payments will be taken via credit card or electronic funds transfer from a checking account. The School will automatically process the monthly payment amount.
6. If payment is declined, The School will make every attempt to contact you to make payment arrangements. If we are unable to contact you, the responsibility to take care of the missed payments and become reinstated in the program falls to you. Utah Code requires a \$20 bounced check fee for each check that is returned to us. If your payments have not gone through for more than two months, your status in the Payment Program will be put on hold. There is a reinstatement fee of \$50 to become an active student.
7. The School has the right to deem disagreement in default. It is our decision to determine what default is. Utah Code: If the purchaser defaults against these credit terms, purchaser is liable to pay all costs of collection, including court costs and reasonable attorney fees, whether or not suit is actually filed. Purchaser agrees that any legal action brought hereunder may be brought in Utah County, Utah.
8. It is the responsibility of the student to inform the School of any address, phone number, credit card, or bank changes. If the School is unable to locate the student, we will stop your course material shipment and you may be required to pay a reinstatement fee in order to continue the program.
9. If you wish to opt out of the payment program you may do so at any time. The fee to cancel the payment program is equal to two months payments. Previous payments will not be refunded, and returned materials will not be accepted.
10. There is no penalty for paying the program off early.
11. This program is exempt from Sales tax.
12. Completion of the program is required on year from the time of enrollment.
13. There will be an additional \$20 per month shipping and processing fee charged for the duration of the payment plan (prices below reflect the \$20 fee).
